NOTES OF JOY

Join me in two of the great cities of culture in Europe; Vienna and Salzburg. We will present individual choir concerts and we will combine to sing as a festival choir - our echoes will join those from across the ages.

We'll walk in the footsteps of the masters, we will immerse ourselves in the world from which much of our great music springs and we will enjoy the appreciation of warm audiences in commanding venues.

Austria is not to be missed by any musician and it is the gateway to many other great musical cities such as Prague and Budapest.

I hope you can consider joining me in the summer of 2016.
